WARNING

 INSTRUCTIONS	EQUIPMENT MISUSE HAZARD Equipment misuse can cause the equipment to rupture or malfunction and result in serious injury. • This equipment is for professional use only. • Use the equipment only for its intended purpose. If you are not sure, call your Graco distributor. • Do not alter or modify this equipment. • Check equipment daily. Repair or replace damaged equipment immediately. • Do not exceed the maximum working pressure stated for your equipment. Do not exceed the maximum working pressure of the lowest rated component in your system. • Handle hoses carefully. Do not pull on hoses to move equipment. • Route hoses away from traffic areas, sharp edges, moving parts, and hot surfaces. Do not expose Graco hoses to temperatures above 66°C (150°F) or below -40°C (-40°F). • Wear hearing protection when operating this equipment. • Comply with all applicable local, state, and national fire, electrical, and safety regulations.
	PRESSURIZED EQUIPMENT HAZARD Spray from the gun, hose leaks, or ruptured components can splash fluid in the eyes or on the skin and cause serious injury. • Do not stop or deflect leaks with your hand, body, glove or rag. • Tighten all fluid connections before operating the equipment • Check the hoses, tubes, and couplings daily. Replace worn, damaged, or loose parts immediately.
