INSTRUCTIONS

Lube Equipment Fittings and Adapters

For use with manually operated pumps and petroleum based lubricants only

WARNING

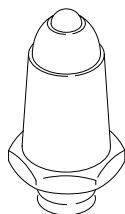

COMPONENT RUPTURE HAZARD

This equipment is designed for use with manually operated pumps only. Any other use of the fitting or adapter can cause unsafe operating conditions and result in component rupture, which could cause serious injury, including an injection injury.

Filler Fitting

For use in bulk-loading of lever and pistol style grease guns. Replaces hydraulic fittings or 1/8 npt(f) plugs on all grease gun heads.

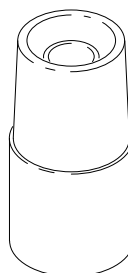

<u>Part No.</u>	<u>Style</u>
