

# Installation

## LineLazer IV Line Stripers Light Kit 277061

311025 Rev.A

Read all instructions and warnings in 311020

### CAUTION

This light is only compatible with LineLazer IV 3900, 5900 and 200HS line stripers. Attempted use with other equipment may damage the light.

PROVEN QUALITY. LEADING TECHNOLOGY.

## General

The light kit may be mounted on the gun support bracket in the front or rear of the sprayer. It may also be mounted on the frame with the included hardware. The light switch on the control panel now lights both the LCD display and the light kit.

### Front Gun Support Bracket Mount

- 1 Position light on front gun support bracket.
- 2 Tighten knob and secure light.
- 3 Plug light cord into control panel.

### Rear Gun Support Bracket Mount

- 1 Remove gun support bracket from front of striper.
- 2 Install gun support bracket at rear of striper.
- 3 Position light on gun support bracket.
- 4 Tighten knob and secure light.
- 5 Plug light cord into control panel.

### Frame Mount

- 1 Remove a screw from frame.
- 2 Install included mounting bar into frame.
- 3 Position light on mounting bar.
- 4 Tighten knob and secure light.
- 5 Plug light cord into control panel.
