These products are similar to products described in Manual 308 846. This sheet makes this manual also valid for the products above. Please note the deviations below and keep this sheet with your manual.

Model No.	Similar Product	Part of Deviation	Ref. No.	Part Description	Description of deviation
6880278	240-381	D31-331	12	Husky 307, AC,SS,SS,TF PUMP	Husky 307, PP,SS,SS,TF PUMP p/n D32331 is used. (See manual 308-553 for parts).

WARNING

FIRE AND EXPLOSION HAZARD

The polypropylene pump is **not** conductive. Attaching the ground wire to the grounding strip grounds only the air motor.

Never use a polypropylene pump with non-conductive flammable fluids as specified by your local fire protection code. Refer to **Grounding** on page 5 for additional information. Consult your fluid supplier to determine the conductivity or resistivity of your fluid.
