

MERKUR 2000

SUPPLEMENT FOR USER INFORMATION 6000305 (B.6.20.44)

The MERKUR 2000 piston pumps, in their special version (for part nbr. see below), are contrary to the piston pumps described in the user information 6000305 (B.6.20.44) equipped with PTFE/leather packing at the top.

The washer ① is not illustrated in the user information. It is only used in conjunction with the PTFE/leather packing.

Packing top

The user information 6000305 (B.6.20.44) applies with the following modifications:

1. Technical product description of the modules

Piston pump	Part nbr.	Lower pump	Part nbr.
025.008-DP	79042 074003	000.008-DO	78003 006002
030.020-DP	79042 082003	000.020-DO	78003 011002
060.020-DP	79042 120003	000.020-DO	78003 011002
020.035-DP	79042 068003	000.035-DO	78003 016002
040.035-DP	79042 096003	000.035-DO	78003 016002
015.050-DP	79042 062003	000.050-DO	78003 012002
030.050-DP	79042 083003	000.050-DO	78003 012002

2. Technical product description, materials

- Top packing - PTFE/leather
- Washer ① - SST 1.4305

3. Repair parts set

- Lower pump - For part nbr. see above (modules)

Lower pump	Replacement part kit, seals
000.008-DO	Part nbr. 79978 018001
000.020-DO	Part nbr. 79978 019001
000.035-DO	Part nbr. 79978 020001
000.050-DO	Part nbr. 79978 021001

The accessories described in the catalogue 01.2044 can be used without restrictions.
