AIR-POWERED PRESIDENT

Variable Ratio Hydra-Cat[®] Proportioning Pump

Model 6880284, Series A

1:1 to 4.5:1 Variable Ratio Range

This standard European unit is identical with the special product SWO-B00091, except for the part-number changed to the standard European part-number 6880284. The SWO is described in Manual 6000207. This sheet makes this manual also valid for the products above.
